Tinka,

Attached is a letter outlining the issues that we discussed on Tuesday that will be further clarified in the draft permit to follow no later than tomorrow. OEPA fully realizes that USEPA has until Monday to submit official comments, but due to furlough timing and the fact that we are very close on final resolution, we are willing to extend the time line until the end of next week so we can resolve these issues and avoid a formal objection. I greatly appreciate your teams willingness to work together. Happy New Year.
